

Ryan Craig

Why are you interested?

To protect our community and events from predators, and to help correct the problematic behavior/violations done by those with good intentions that are willing to correct their mistakes.

Skills / Qualifications:

No professional skills, but I have 10+ years of experience with consent culture in this and other communities, such as poly groups, sex positive groups, BDSM groups, and at sex-focused and intimate events.

Personal interpretation of the purpose and priorities of the RAC:

The same as my interest in joining.

How do you plan to handle the emotional impact of receiving information about difficult cases involving your friends and community members?

I have a support network of friends familiar with these matters that I can share feelings with and get support, without divulging any specifics of confidential reports/cases.

Honest assessment of the monthly time commitment:

6-10 hours per month May through September, 12-16 hours during the "slow season".

Involvement with Burner groups:

Deep Playa, camp Fuck You I'm a Wizard, camp Kuddle Puddle, camp Do More Now.

Involvement with adjacent communities:

Yes, poly & sex-focused groups that wish to remain anonymous.

In conclusion:

I helped create the charter and code of conduct, and want to continue to help our community work through the issues recently brought to light, and remove predators from our events. It breaks my heart to hear of the violations caused by people I know, against others in our community. I don't want it to happen again.
